Catalog Marketer Spiegel Brands and Shasun USA, One of the World's Largest Producers of Ibuprofen, Have Signed Multi-Year Contracts

ANAHEIM, Calif., July 2 /PRNewswire-FirstCall/ -- BPO Management Services Inc., (OTC Bulletin Board: **BPOM - News**), a full-service business process outsourcing company focused on serving middle-market enterprises, today announced that Spiegel Brands, Inc., Chicago, the women's clothing catalog marketer, and Shasun USA, Inc., one of the world's largest producers of ibuprofen, have signed multi-year contracts for its information technology outsourcing solutions.

BPOMS is providing remote software technical support for Spiegel's i/Series and z/Series mainframe platforms. The company reported it started working four days after the initial inquiry came in.

For Shasun, BPOMS is providing remote Intel server and desktop management, WAN management and support center services, including operations, technical support and backup management.

Patrick Dolan, chief executive officer of BPOMS, said, "We are pleased to add these growing middle-market companies to our ITO client roster. We were able to customize our ITO solutions and demonstrate our flexibility in providing the critical infrastructure and core business processes our customers require."

"Additionally, the mainframe support for Spiegel expands our capabilities offering and gives us an important competitive advantage in the marketplace," he added.

Services provided to these customers will be delivered from the full-service BPOMS 24/7 SAS 70 Type II certified data center facility located in Pearl River, NY.
